There will be a **special called business meeting** of the church this morning, shortly after worship, for the sole purpose of voting on a proposal from the Leadership Team and the Trustees to move forward with constructing four year-round rental apartments on the third floor of the church building.

Thursday night at 6:30 the Search Committee urges all members and friends to attend a **Timeline Event** led by Kathryn Palen from the staff of ABCORI. There will be **light fare and desserts**. We'll take a look at the entire timeline of the church's history and try to discern themes, and what God has been doing in our church over the year—and what that might say about God's future for us.

Thursday night Bible study will be taking a hiatus for the next two weeks. We will resume on September 28.

This week Common Ground Coffeehouse on Friday, September 15th, at 7:00 p.m., will present **Britt and Mike Connors**. Britt is back for her third annual performance during her vacation on Block Island. In the past she has performed with her band, Bourbon Renewal, but this year it will be a duo with husband Mike Connors, her drummer who also sings. They are working on a new CD, but the last one was described this way: "The record features her original tunes that are alternately rockin', country, sweet, rootsy, New-Orleans-street-parade-style, or just plain fun. With its clapping, foot-stomping, and even some whistling, the record could be said to belong in its own sub-category of Americana they've deemed "Y'all-Ternative" music." Britt gives a really fun show. She knows that the pastor will be away at a wedding rehearsal for his daughter, but she wanted to perform for you anyway. Come enjoy!

Coming up at the Coffeehouse: Sept. 22, a movie night with the new French film *Heal the Living (RÉPARER LES VIVANTS)* which tells the story of a heart transplant, first from the family of the surfer teenager whose heart is donated, then from the family of the middle-aged recipient, with fascinating scenes of how the decisions get made and the surgery itself. It is an impassioned story of personal connections that philosophically, spiritually and literally plumbs the depths of the human heart. It has received rave reviews and has a 89% approval on Rotten Tomatoes. Coming September 29, the return of Kim Trusty!

The church is searching for a new sexton (the building caretaker). 10 hours per week in exchange for free 1 BR apartment in church. Requires daily checking things and weekly cleaning, occasional setup. Wages for anything beyond 10 hours. Must be year-round. Individual or couple. Contact hollawaystephen@gmail.com or leave message at 466-5940.

Next Sunday the pastor will be on vacation and we will have a real treat in worship. Our preacher will be **Perkin Simpson**, the Executive Director of the American Baptist Foundation in Valley Forge PA. He is a UConn graduate with an MBA from RIT, and worked as an investment advisor for 15 years before coming to the Foundation in 2008. Perkin is helping us launch our new endowment campaign called **Welcoming the Future**.
