

Here Comes the Sun

Here comes the sun (doo doo doo doo)

Here comes the sun, and I say

It's all right

Little darling, it's been a long cold lonely winter

Little darling, it feels like years since it's been here

Here comes the sun

Here comes the sun, and I say

It's all right

Little darling, the smiles returning to the faces

Little darling, it seems like years since it's been here

Here comes the sun

Here comes the sun, and I say

It's all right
