

I Say a Little Prayer

The moment I wake up
Before I put on my makeup
I say a little prayer for you
While combing my hair now
And wondering what pants to wear now
I say a little prayer for you

Forever and ever, you'll stay in my heart
And I will love you
Forever and ever, we never will part
Oh, how I love you
Together, forever, that's how it must be
To live without you
Would only mean heartbreak for me

I run for the bus, dear
While riding I think of us, dear
I say a little prayer for you
At work I just take time
And all through my coffee break time
I say a little prayer for you

Forever and ever, you'll stay in my heart
And I will love you
Forever and ever we never will part
Oh, how I'll love you
Together, forever, that's how it must be
To live without you
Would only mean heartbreak for me

My darling, believe me
For me there is no one but you
Please love me too
And I'm in love with you
Please love me too
