

"One Love" (Bob Marley)

One Love! One Heart!
Let's get together and feel all right
One Love! One Heart!
give thanks and praise to the Lord and I will feel all right
let's get together and feel all right

Let them all pass all their dirty remarks
There is one question I'd really love to ask
Is there a place for the hopeless sinner
Who has hurt all mankind just to save his own beliefs?

One Love! One Heart!
Let's get together and feel all right
One Love! One Heart!
give thanks and praise to the Lord and I will feel all right
let's get together and feel all right

Let's get together to fight this Holy Armageddon
So when the Man comes there will be no, no doom
Have pity on those whose chances grows thinner
There ain't no hiding place from the Father of Creation

One Love! One Heart!
Let's get together and feel all right
One Love! One Heart!
give thanks and praise to the Lord and I will feel all right
let's get together and feel all right
Let's get together and feel all right
