

"A Hard Day's Night"

It's been a hard day's night, and I've been working like a dog
It's been a hard day's night, I should be sleeping like a log
But when I get home to you I find the things that you do
Will make me feel alright

You know I work all day to get you money to buy you things
And it's worth it just to hear you say you're going to give me
everything
So why on earth should I moan, cause when I get you alone
You know I feel OK

When I'm home everything seems to be right
When I'm home feeling you holding me tight, tight, yeah

It's been a hard day's night, and I've been working like a dog
It's been a hard day's night, I should be sleeping like a log
But when I get home to you I find the things that you do
Will make me feel alright
You know I feel alright
You know I feel alright
