

"Sleigh Ride"

Just hear those sleigh bells jingling,
Ring-ting-tingling too
Come on, it's lovely weather
For a sleigh ride together with you

Outside the snow is falling
And friends are calling "yoo hoo",
Come on, it's lovely weather
For a sleigh ride together with you.

Giddy up, giddy up, giddy up, Let's go,
Let's look at the show,
We're riding in a wonderland of snow.

Giddy up, giddy up, giddy up, It's grand,
Just holding your hand,
We're gliding along with a song
Of a wintry fairy land

Our cheeks are nice and rosy
And comfy cozy are we
We're snuggled up together
Like two birds of a feather would be

Let's take that road before us
And sing a chorus or two
Come on, it's lovely weather
For a sleigh ride together with you.
